The above mentioned approval is subject to the following conditions:

1. University should ensure that the building proposal should be according to the Master Plan and also obtain necessary approval/clearance from the Local Bodies/Competent Authority before starting the building construction.
2. University should follow the General Financial Rules, 2017 as well as instructions of GFR 130 to 141 pertaining to execution of the works.
3. The Central Vigilance Commission (CVC) vide its letter No.011/VGL/014 dated 11th February, 2011 has circulated the instructions on "Transparency in Tendering System" and No.01-11-CTE-SH-1-dated 17.02.2011 regarding "Mobilization-Advance". Therefore, the universities should ensure that the construction work carried out in accordance with the General Financial Rules, 2017 and CVC instructions issued from time to time.
4. In future, university may submit the proposal indicating some more information for proper examination of the proposal like:-
 - (i) Priorities for construction activities as per their basic needs including staff quarters, hostels, academic block and schools for children to attract good teachers to join the university.

- (ii) Time frame for construction of work including tendering process.
